Summer 2020

Hello to you all. We are missing all the children very much but hoping you are all staying safe during this time, and it won't be long before we see you again soon!

Thank you

A BIG thank you to our wonderful staff for still continuing to work during these challenging times.

Tapestry

We love looking at what your child/ren has been doing during this time, so please continue to upload those photos onto Tapestry! And don't forget the 50 things to do whilst being an Explorer!
