

## Cooking Lessons

Dear Parents/Carers,

The children have the opportunity in taking part in cooking lessons again during the Autumn term, this will be carried out every other Thursday. The children will have their own stations to work from and have lots of experience in making a variety of food to bring home and share. The cost of this will be £5.00 to cover the cost of time and ingredients etc. All dates can be found on our facebook page under the events page.

Please can you complete the form below and return it by Thursday 10<sup>th</sup> September 2020. Unfortunately, we can only offer this additional activity if payment is received in full as Explorers do not have the additional finances to cover the cost.

Many Thanks

Cooking Shelly
