Welcome to the Spring Term

Feedback cards

Reflective practice plays an important part of our Explorers Provision; we are continuously reflecting on our practice and implementing new ideas to ensure we operate at an very high level of care and education. The feedback cards for parents/carers and children are in the envelope which will be going home with your child. We would be very grateful if you can complete and return these by Friday 25th January 2019.

WOW's

Celebrating children's achievements is very important to us, we would like you to complete your child's WOW and return it back to nursery as soon as possible so we can share their special news with their friends. Please remember this can be anything that is important to your child.

Existing Injuries

To ensure we all safeguard our children please remember to report any existing injuries to a member of staff when dropping off your child. The forms are now on an iPad that all members of staff have access to.

Key Groups

We will be using the insects names from our logo for our Key Groups.

Blue Key Group will be Butterflies

Yellow Key Group will be Ladybirds

Orange Key Group will be Bees

Purple Key Group will be Caterpillars

Green Key Group will be Snails

We will be emailing your Child's Personal Details, please can you check that all numbers are correct. Please return these by Friday 25th January 2019.

Children's Current Interests

As you know, we follow your child's current interests at nursery by planning activities from their play. To help us with this we also like to know what they like doing at home, please complete their current interests card and return by Friday 25th January 2019.

Spare Clothes

Please ensure your child always has a spare set of clothes. We like water play and messy play and we do not have enough spare clothes for all children. Labelling clothes means we can get them safely back to you.
